WORDS OF WELCOME

**Lao-Tzu**

All things pass  
A sunrise does not last all morning  
All things pass  
A cloudburst does not last all day  
All things pass  
Nor a sunset all night  
All things pass  
What always changes?  
Earth...Sky...Thunder...  
Mountain...Water...  
Wind...Fire...Lake...  
These change  
And if these do not last  
Do man's visions last?  
Do man's illusions?  
Take things as they come  
All things pass

**Into the freedom of wind and sunshine**

*We let you go (All)*

Into the dance of the stars and the planets

*We let you go*

Into the wind's breath

*We let you go*

COMMITTAL

**The mountain,**

*I become part of it (All)*

The woods,

*I become part of it.*

The morning mists, the cloud,  
the gathering waters

*I become part of it.*

The sun that sweeps across the earth

*I become part of it.*

The wilderness, the dew drops, the pollen

*I become part of it.*
