“TO LIMIT YOURSELF TO ONE ASPECT OF GOD IS A MISTAKE, FOR YOU SEVERELY RESTRICT YOUR PERCEPTION OF THE UNIVERSE. GOD IS MULTI-DIMENSIONAL. IN THE PHYSICAL STATE YOUR SENSORY APPARATUS IS LIMITED BUT IT IS ESSENTIAL FOR YOU TO REALISE THAT GOD IS INFINITE”

The Quest

by Peter Quiller

Deep in the darkness of night's silent shell,
In shattering quiet and unearthly spell
The magic of mystery - lies.

To search for the secrets of Creation's force
I enter the silence and locate its source
The magic of mystery – dies.

But the light in that darkness, surrounds me with love
Until I connect both below and above
The magic of mystery – flies!

“You are seeking for ways that lead you towards the light, are you not? The upward path? The secret lies in harmony and balance, both without and within. Until you can attune to the lovely planetary being who is carrying you across The Celestial Ocean, there can be no going forward. One way to avert the nightmare your leaders are so busy creating for you is to find and awaken the Holy sites venerated by your distant ancestors. These sites are a precious link with the past. We did not seed them for no Purpose! Having found them, use them with care, use them with Love”
